TERMS OF SALE

1. All bids are per lot as numbered in the catalogue and all items are sold as per lot. No lots are sold out of numerical order. The right is reserved to withdraw any lot prior to sale, or to group two or more lots. No lots will be

broken up.

2. The highest bidder will prevail. Lots are sold at a slight advance over the next highest bid. The auctioneer will regulate the bidding, and reserves the right to refuse any bid not believed to be in good faith. Should any dispute arise between bidders, the decision of the auctioneer, in the exercise of his judgement as to the successful bidder, will be final, and the auctioneer may re-offer or resell the lot under dispute. Title will be retained by Harmer, Rooke Numismatists, Ltd., until lots are paid for in full.

3. Auction sales are strictly for cash, and must be paid for promptly in U.S. funds. $1\frac{1}{2}\%$ per month will be added to all bills delinquent after 1 month

from date of sale.

4. Floor bidders must identify themselves to the auctioneer immediately following the purchase of each lot. Payment of the whole purchase price, or such part as the auctioneer may require, will be made by the buyer in such manner as the auctioneer may determine. Personal checks may be accepted,

subject to collection.

- 5. Mail bidders unknown to us must furnish satisfactory references, or remit a deposit of 25% of the total of bids. There is no charge for executing mail bids. In the case of equal bids, the earlier bidder will prevail. Successful mail bidders will be notified of the lots allocated to them, and must forward payment before the lots are sent. Those known to us, or who furnish satisfactory references, may, at our option, have their purchases forwarded for immediate payment. Delivery of lots will be to addresses indicated on bid sheets.
- 6. All lots are guaranteed to be genuine and as described. No lots may be returned by mail bidders without our written permission. All claims must be made in writing within 5 days after receipt of goods. We reserve the right to decide on all claims. Lots sold to floor bidders are not returnable.

7. Forwarding charges, insurance, &/or registry fees will be borne by the purchaser. The N. Y. State Sales Tax as applicable, is payable by all buyers

liable to tax.

8. Unlimited or "buy" bids cannot be accepted.

9. The placing of a bid will constitute acceptance of the foregoing terms of sale.

- 10. We cannot be responsible for any errors on the part of bidders. Please be careful.
- 11. No consignors, nor their agents, will be permitted to bid on their own material.

EXHIBITION

NOTHER avid collector by nature, Stanley Weiner, has recently joined the staff of Harmer, Rooke Numismatists Ltd.

About twelve years ago Stanley was passing by a coin shop and a \$3.00 gold piece in the window caught his eye, even though he was not a coin collector at the time. He bought that item and has been "hooked" on coins ever since. That first purchase led him down the usual path for beginners—reading books, attending shows, increasing his collection of U.S. Type coins and eventually even leaving

his job in Wall Street to work in the field of monetary foreign exchange.

Stanley is Brooklyn born and bred but now lives in Queens with his wife, Beverly, and their two daughters, ages 8 and 10. Despite the limitation of an apartment, Stanley and Beverly house a collection of about 35 original oil paintings. Sanley's art interest leans toward portraits of women and young girls, painted in the 1880's and 90's when realism was more the fashion. As well as paintings and coins, Stanley's collector's mania has led him to ancient arti-facts, which coincidentally is an area that Harmer, Rooke is now getting into.

In 1965 Stanley started working at Manfra, Tordella & Brookes, Inc. where he got to know Joe Rose, our V.P. at Harmer, Rooke Numismatists Ltd. He stayed on for about 3 years, handling that part of the business related to gold

coins, U. S. and foreign. To be of greater assistance to his customers he compiled a listing of the fine gold content (in Troy ozs.), for most of the coins bought and sold, and the corresponding value in U. S. dollars. A buyer could then easily see the relationship between the market value and gold content value, a method used in European countries but most unusual here in the states. Upon leaving MTB Stanley re-entered the world of finance, becoming a partner in a Wall Street trading firm. Finding the tempo no longer to his liking he left when he heard that there was a place for him here. He is presently trying to further develop Harmer, Rooke's retail coin shop in the area of gold coins, as well as cataloging for our auctions. He finds working here very comfortable, with sufficient leeway and non-regimentation to foster greater creativity and responsibility.

Parts I, II and III of the Cardinal Spellman collection (coins, medals, etc.) was sold privately by Harmer, Rooke Numismatists Ltd., to a leading New York bank. The collection brought in excess of $\frac{1}{2}$ million dollars and now remains in its entirety.

Collectors of all types of numismatic items should scan our fixed-price lists which are now a regular feature of all our coin auction catalogs. Additionally, our retail shop is now open on the 4th flor and we would welcome all of our customers to stop in, especially those out-of-towners who only make it to New York several times a year.
